AMSC to Present at Southwest IDEAS Investor Conference on November 18 in Dallas, Texas

DEVENS, Mass., Nov. 16, 2015 (GLOBE NEWSWIRE) -- AMSC (NASDAQ:AMSC), a global solutions provider serving wind and power grid industry leaders, today announced that it will be presenting at the Southwest IDEAS Conference on Wednesday, November 18, 2015 at 2:30 Central Time (3:30 ET).

Executive Vice President and Chief Financial Officer, David Henry will discuss AMSC's business strategy and recent accomplishments at the conference. The presentation will be webcast live and may be accessed at the conference website, www.ideas.com, as well as the investor relations section of the Company's website: <http://ir.amsc.com/events.cfm>.

About IDEAS Investor Conferences

The mission of the IDEAS Conferences is to provide independent regional venues for quality companies to present their investment merits to an influential audience of investment professionals. Unlike traditional bank-sponsored events, IDEAS Investor Conferences are "Sponsored BY the Buyside FOR the Buyside" and for the benefit of regional investment communities. Conference sponsors collectively have more than \$200 Billion in assets under management. The IDEAS Investor Conferences are held annually in Boston, Chicago and Dallas and are produced by Three Part Advisors, LLC. Additional information about the events can be located at www.IDEASconferences.com.

About AMSC (NASDAQ:AMSC)

AMSC generates the ideas, technologies and solutions that meet the world's demand for smarter, cleaner ... better energy. Through its Windtec™ Solutions, AMSC provides wind turbine electronic controls and systems, designs and engineering services that reduce the cost of wind energy. Through its Gridtec™ Solutions, AMSC provides the engineering planning services and advanced grid systems that optimize network reliability, efficiency and performance. The company's solutions are now powering gigawatts of renewable energy globally and enhancing the performance and reliability of power networks in more than a dozen countries. Founded in 1987, AMSC is headquartered near Boston, Massachusetts with operations in Asia, Australia, Europe and North America. For more information, please visit www.amsc.com.

AMSC, Windtec, Gridtec, and Smarter, Cleaner ... Better Energy are trademarks or registered trademarks of American Superconductor Corporation. All other brand names, product names, trademarks or service marks belong to their respective holders.
